TESTIMONIAL

At first i thought it might be another one of those products you try and don't work, but after ~~my~~ two weeks i went to my regular check up clinic to see if any changes have occurred, I was amazed and ~~ref~~ relieved it had worked. My stretch marks had faded and even reduced in size. Now i'm a little more confident and over the moon that it does actually work. Even my husband has noticed the difference.

Oils used 2x daily for first 3 weeks, forgot to fill in form for last 2 weeks, next 3 weeks used 2x daily for 2 weeks and then went off for next 4 to 5 weeks, missed 4th visit. Been very busy with work - trying to remember to put on 2x daily & record in diary.

I found the oil really nice to use + noticed a slight difference in the appearance of my stretch marks not as much as I had hoped though. My stretch marks are quite bad so a longer period of treatment may be required. I would recommend to my friends to try this product and see how they feel about it, but thank you for allowing me ~~to use your product~~ to use your product.
